Join us for our 41st Year!

Collector's Choice is an important fundraiser for Maryland Federation of Art. The funds raised through this event allow MFA – as a nonprofit organization – to keep our doors open exhibiting your art in Circle Gallery and other alternate locations.

MFA asks **Member Artists to donate up to two pieces of their Best Work to the event.** Donating artists are featured on the MFA website during the event, in the archive gallery after the event, and in our Collector's Choice program. Additionally, **you have the chance to attend the party and meet art collectors** who are looking at – and loving – your artwork.

Tickets are \$185 to the public. Each numbered ticket admits two people to the party for one selection of art. The event is run as a lottery. Donated art is previewed at Circle Gallery from October 13 to October 20 and in our online viewing gallery. Ticket buyers have the chance to rank their choices – jotting down which artists' work they admire. On October 22, the night of the event, each numbered ticket admits two to the party for one selection of artwork. The fun begins with the first drawing and excitement mounts with every number called.

As a donating artist, you and a guest may attend the party for free to meet your newest collector. Should you wish to add to your art collection, tickets to participate in the lottery and choose an artwork are \$150 to donating artists.

MFA can only sell as many tickets as we have pieces of art – so we ask that you let us know if you will be participating. Please enter your information online at www.mdfedart.org, no later than September 25. Look for the Collector's Choice Page and the Donating Artist button to upload your information and image(s).

Thank you for sharing your talent and artwork to help keep MFA going strong!

Yours,

Joann Vaughan
MFA Executive Director
