

mfa Studio Tours 2022

Jen Sterling's studio,
Jen Sterling

The inaugural in-person Studio Tours program is an initiative of Maryland Federation of Art, Inc. (MFA). Recognizing the incredible talent of artists in Anne Arundel County and residents' and visitors' desire to meet artists, the program brings together actively working artists and potential collectors in the artists' studio environments, encouraging the support of local artists and their work. Artists whose studios are located within the Anne Arundel County boundaries are encouraged to apply to participate in Studio Tours 2022, which takes place Saturday, April 30, 2022 and Sunday, May 1, 2022 from 10 AM – 4 PM. Each artist on the tour will also have one piece in Circle Gallery from April 14, 2022 – May 1, 2022.

MFA will manage the advertisement, promotion, and marketing for the Studio Tours program. Additionally, MFA will produce a map of all participating artists' locations, and a listing for each participating artist, including a brief artist statement and an image representative of the artist's body of work on our website. MFA will also produce a brochure promoting the event. Participating artists will be provided with brochures to distribute and signage to place to direct visitors to your studio space.

MFA is a 59-year-old non-profit visual arts organization committed to exhibiting new and innovative art created by living artists. MFA is based out of Circle Gallery, 18 State Circle, across from the Maryland State House in historic downtown Annapolis.
