

mfa Reflections 2023

Applause, photography,
Brenda J. Silberman, from Reflections 2022

Reflections can appear in many different forms – they can be both literal or metaphorical. Reflections found in shop windows, still ponds, or on faces in mirrors can surprise and delight. The physical nature of light reflecting changes appearances and reveals unexpected sensations. Reflections can also be internal; emotional, cerebral, or spiritual, bringing back memories or causing new ways of thinking that could change the world or just stay personal. Show us what reflection means to you. Entry is open to all artists residing internationally. All original 2D or 3D artwork in any media is eligible for our second annual online show. Works selected by the juror will be on display in Maryland Federation of Art's online gallery, Curve Gallery, from April 15 – May 31, 2023. Exhibition Chairs: Richard Niewerth and Wil Scott.
