

# mfa At Play 2026

There is a moment in making where curiosity outpaces caution. Where the hand moves before the mind can second-guess it. At Play is an open call for artists working from that place. Not toward a destination, but inside a process. Making the way children do, without asking why. At Play invites submissions that emerge from states of experimentation, wonder, and freedom from outcome. No medium restrictions. No right answer. Just the work that happened when you stopped performing and started playing.

MFA exhibitions are blind juried by professional and credentialed art experts. Entry is open to all artists from around the world, with the exception of sanctioned countries. Any original 2D or 3D work that follows our exhibition guidelines will be considered. Works selected by the juror will be exhibited in Maryland Federation of Art's (MFA) At Play Exhibition through our Virtual Gallery from August 14 – October 14, 2026. Show Chair: Nichole Leavy
